1. **Rules:** The NOTRE DAME DON BOSCO BASKETBALL LEAGUE IS GOVERNED BY THE Archdiocese of Milwaukee, and the guidelines outlined in the specific Athletics Policy Manual published by the M.A.D. (6145-6145-28)

a. **Playing Rules**

NDDB follows the basketball playing rules as published by the National Federation of State High School Associations as modified by the Wisconsin Interscholastic Athletic Association and the League. (See specific league modifications within these rules.) Every effort will be made to have two certified officials, but due to the drastic shortage of officials, League may use retired officials or officials who have not kept up certification but are known to the League.

- Each member (parish or school) is responsible to educate all coaches and administrators to **understand & comply to these rules** and regulations, (Both from the Arch and League) and by entering teams in the league, the league presumes all rules will be followed and enforced.
- The Athletic Director will document to the League that all rules and procedures will be followed.
- **Time Outs.** There are only four time-outs. There are four-4- 60 second time-outs, and game officials will enforce the time out rule. Be ready to play and on the floor when the 2nd horn sounds. The ball will be put into play with or without warnings – so be on the floor ready to play.
- No dunking is allowed during warmups prior to the game or at half-time.
- Games will begin at scheduled times.
- Minimum of 5 minute warm up between games.
- Quarters are six minutes and there is a 5 minute half time.
- **Teams must have five (5) players to start the game.**
 - There is a five minute grace period if teams do not have 5 players at the start of the game.
 - Play will begin at the end of the grace period. If a team does not have five players, a forfeit will be recorded.
 - Due to unexpected illnesses, a team with only less than five players may borrow a player from a lower or same grade team provided authorization received from League Director or Board Member. This is to prevent a forfeit. The player must be the average of the team's talent.
- NOTE LATE RULE: If the 4th quarter starts after scheduled start time of the next game, game officials and gym supervision may agree to have a running clock during that quarter.

2) Special Situations:

- a) If there is only one official at the start of the game, both head coaches must sign the scorebook prior to the start of the game. Signature indicates acceptance by both coaches to play game with one official. If coaches do not sign the scorebook, the game will not be played. The League will only reschedule the game if the game affects first or second place.
- b) If the score is tied at the end of the fourth quarter, two-minute overtimes will be played until a winner is determined. There is a one-minute intermission before each overtime period. One 60 second time out per team per overtime.
- c) If the margin is **16** points or more in the fourth quarter, there shall be a continuous clock for the remainder of the game. The clock stops only for free throws and time outs. If the margin is less than 10 points during the quarter, the clock will return to the normal format.
- d) The preferred minimum number of players required to enter a team is 7 players. On rare occasions, reserved for 7th and 8th grade, League Director may allow a team to enter with less than 7 players.

Referees may assign bench technical fouls to fans, parents or friends in the stands, and the league is encouraging and supporting game officials to make these calls against spectators who cannot control their emotions. **This means an automatic two points and loss of the ball.** Also a warning will be given to the coach, and the league will advise the school principal of any incidents. Spectators who are asked to leave the gym, or ejected by game official will receive same suspension as a player. See the Arch Policy for additional details.
